

Training Requirement

Additional classes are being offered for training each month. Introduction to Autism, Defensive Driving, and Cultural Competency are just a few of the new classes offered by Arion Instructors. Providers are required to maintain certain certifications such as; CPR, First Aid, Article 9, DCW, Prevention and Support, Introduction to Autism and continuing education units. The certification requirements may vary amongst providers depending on the needs of the member served. As always, all of our classes are available free of charge to our employees, members and families. Please visit our web site at www.arioncaresolutions.com and click on the calendar for a complete listing of trainings offered.

Sensitive Santa Dates

Touchstone's main campus,
15648 N. 35th Avenue Phoenix, AZ

- ✓ **December 6, 10 a.m. to 2 p.m.**
- ✓ **December 9, 10 a.m. to 2 p.m.**

Sensitive Santa is free and open to the community. A Sensitive Santa visit is held outside in natural light with no lines to wait in, crowds to maneuver through, loud sounds or potent smells to endure. In addition, staff is on hand who understands and are aware of their particular needs. Each child receives a toy and a picture to take home to remember their time with Santa.

Monthly Shout Out: **Martin Molina**

As seen through the eyes of a thankful mother:

Martin is a gift and blessing from God. He puts his heart and soul into caring for "Winkie". Winkie responds positively to Martin's directions. Martin is dependable and flexible. He doesn't get angry and is very patient, happy, kind, gentle and helpful.

Thank you for sending Martin into our life.
The Molina Family
