Mary is caring, diligent, and very hard working. She is very smart and has excellent ideas. She is implementing the hab goals and we have seen improvement in our kids. The kids also love having her around. She is very effective in understanding our kids and their autism. We are so happy to have her helping our family. Thanks for hiring such a good care provider!! She deserves praise for all her hard work. The Hill Family

2015 Fred Rathbun Memorial Horse Show (formally the Phoenix Special Olympics, Unique Horseshow)

In 1980, Fred and Julie Rathbun began working with the Equestrian Special Olympics. At that time, there were only 25 Olympic Participants. Fred led the horses while Julie rode behind each participant to be sure they stayed safe and didn't fall off the horse. Fred and Julie worked with the group each year until 2006 when Fred passed away. Julie has continued her work with the Special Olympics since that time and the Equestrian Special Olympics was renamed The Fred Rathbun Memorial Horse Show.
