We are extremely grateful to have **Donna Berg** David's caregiver. David has cerebral palsy and requires an extensive amount of care on a daily basis. Donna is diligent, and passionate about the care she provides to

David. My family is blessed to have found such a caring and devoted person to care for David in our home. We can't ever thank her enough for all she does.

**Donna Berg** also works with my son, Aaron. I could not say how grateful I am to have her. Donna is a very hard worker. She never complains and is always reliable. She

has always gone way above and beyond in all she does.
